Silent Knight Announces Extension of Warranty Period

Silent Knight is pleased to announce that its limited warranty period has been extended from 18-months to 36-months, effective immediately. The extension to the warranty period applies only to products manufactured by Silent Knight in its Northford, CT and Maple Grove, MN facilities. Product pricing remains unchanged.

Products sold by Silent Knight that are not manufactured by Silent Knight's Northford, CT and Maple Grove, MN facility are not covered by the warranty extension. Warranty terms for those products will continue to be as specified by the respective, original manufacturer.

Silent Knight's extension of the warranty period from 18-months to 36-months is retroactive, and covers all products manufactured in Northford, CT and Maple Grove, MN, and after, January 1, 2009. It does not apply to products manufactured in 2008, and purchased in 2009. Products must have a Date Code of "0109," or later to be eligible for the extended warranty period. The first two digits of the Date Code represent the Week, and the next two digits represent the Year. For Silent Knight Product that are manufactured in Maple Grove, MN, the first two digits of the Date Code represent the Month.

All other warranty terms and conditions remain unchanged, including, but not limited to, policies and procedures pertaining to the warranty return and replacement process.

The extended warranty period applies to all markets, including applicable products exported from the United States.

Silent Knight is confident that its extension of the warranty period will further support your sales effort in today's competitive marketplace. We stand proud behind our product that is assembled in the U.S. A.
