Instruction for zone descriptions

1. Cut along dotted lines
2. Insert strip into the slot above clear window.

The electronic version of this template is available on the Silent Knight Website at www.silentknight.com

Instruction for zone descriptions

1. Cut along dotted lines
2. Insert strip into the slot above clear window.

The columns may be used for self-defined descriptions. The text must be kept between the spaces indicated by the *'s.
The dimensions for each description window on the label = 1.20" x .50"
